Directions for Collecting Data Regarding POST-SCHOOL OUTCOMES FOR STUDENTS WITH INDIVIDUALIZED EDUCATION PROGRAMS (IEPs)

State Performance Plan (SPP) Indicator 14 School Year20242025

I. Overview of Requirements

The Individuals with Disabilities Education Act (IDEA) requires each state to developte S PerformancePlan/Annual PerformanceReport (SPP/APRthat evaluates the state's efforts to implement the requirements and purposes of the IDEA and describes how the state will improve its implementation. The SPP/APR is comprised of various indicators that measure child and family outcomesand other indicators that measure compliance with the requirements of the IDE Indicator 14 measures posthool outcomes for students with individualized education programs (IEPs). The New York State Education Department (NYSED) reports annually to the United States Department of Education (DE) on Indicator 14 by collecting data from a representative sample of school districts in New York State (NYS). School districts in the sample for any given year must participate in reporting on the posthool outcomes achieved during the year since leaving high school of youth who are no longer in secondary sandowho had IEPs in effect at the time they left school. NYSED has contracted with the Potsdam Institute for Applied Research (PIAR),
