Indirect Cost

- Indirect Cost is an Administrative cost.
 - 10% cap on administrative costs in the Composite Budget
- Recalculate your Indirect Cost when you do an amendment (even if you don't touch that code, you might affect it).

The screenshot shows a form titled "INDIRECT COST". It contains several sections:

- A. Modified Direct Cost Base** -- Sum of all preceding subtotals (codes 15, 16, 40, 45, 46, and 80 and excludes the portion of each sub contract exceeding \$25,000 and any flow through funds) ****Manual Entry****
- B. Approved Restricted Indirect Cost Percentage**
- C.** Subtotal - Code 90

Below these sections, there is a note: "For your information, maximum direct cost base: [blank]". At the bottom, there is a large block of text that is mostly illegible but appears to contain information about the maximum direct cost base and flow through funds.
