The submittedwaiver request sought to address thing oing impact of the pandemic on school communities and this sue of whether reliable and accurate accountability determinations that separately with the current structure of the pandemic on school communities and this sue of whether reliable and accurate accountability determinations that separately with the current york State's commitment to diversity queity, and inclusion (DEI)

² the timeline and manner for restarting accountability determinations must be done in the most equitable satisfie. The waiver request proposed to eliminate requirements lentify schools for 6mprehensive and Targeted Support and Inprovement in fall 2022 based on 2022 school year results, and the Title I School Improvement funds to support Good Standing 6 that were identified as at risk

NYSED has already engaged **twitUSDE** to receive technical assistance regarding potential solutions to the concerns raised in the waiver request in order to restart the accountability system in a way that will meet the statutory requirements **thef**ESEA.

While disappointed by USD decision, the Department will continue to explore all possible options to find the most appropriate and equitable forward possible to restart the accountability system in an annerthat is most supportive to schools and districts under law. Additional information regarding accountability determinations under New York State's approved Every Students Succeeds Act (ESSA) plan will be forthcomesns poon as it is available.

The Department remains committed to supporting your efforts to provide the best education and support to students cross New York State. Questions concerning the information contained in this memo should be directed to:
